

Softshell Stretch Jacket

Softshell stretch jacket for everyday work, made of high-quality fabrics that offer mobility, durability, and long-lasting comfort.

Flexible work jacket made of high-quality 4-way stretch softshell fabric for mobility, durability, and all-day working comfort. Designed for professionals who demand the best, the jacket features a body-mapped construction with full-stretch DuPont™ Kevlar® fiber fabric and a contrasting high-elastane double-weave polyamide fabric. Clean design meets advanced functionality, including front pockets with built-in ventilation and extended sleeve and back panels for extra protection.

- 4-way stretch softshell fabric for flexibility
- Full-stretch DuPont™ Kevlar® fiber fabric
- High-elastane, double-weave polyamide contrast fabric
- Dropped back and sleeve ends for added weather protection
- Suitable for profiling
