MAN S-5XL WR10042 KR. 3999	WOMAN XS-3XL WR10043 KR. 3999	Colors Black Beauty	The Veslepiggen pants feature an eVent 3L membrane. The pants have a drop seat, allowing you, for example, to use the restroom without having to pull down your pants completely. Among the technical features, it includes a high waist with elastic suspenders, good pockets, and waterproof zippers. The pants also have a long zipper on the side for ventilation and adjustment to different types of footwear. Additionally, the Veslepiggen pants have sewn-in gaiters and reinforcement on the inside of the ankle. Technical description: 100% Polyamide. WP: 28 000 mm, MVT: 10 000 g/m²/24h.
			Wash the garment gently in the machine at 40 degrees. Tumble dry (Low temperature). Do not iron, dry clean or bleach. Close zippers, velcro, and buttons before washing. Treat with a product for breathable material.
