The Grimen Jacket High Vis is a lightweight all-round jacket made of soft and comfortable softshell material. The material is water-repellent and durable. It features a removable hood with a good brim and adjustment options. Warm fleece material in the collar. Chest pocket and two hand pockets - all with zippers. Cuffs with thumb holes and velcro tightening around the wrists. Elastic adjustment at the waist. Fluorescent material and reflective elements in the front and on the back increase visibility.

Technical description: Shell 1: 94% polyester, 6% elastane with TPU laminated with fleece, 310g/m². Contrast fabric 1: Lycra, 82% nylon, 18% elastane, 170g/m² for Inner cuffs. Lining fabric: mesh, 100% polyester, 160g/m² for pockets lining. 50 mm reflective tape, 25 times washed. EN ISO 13688, EN ISO 20471, WP: 8000 mm, MVT: 800 g/m²/24h.
