Malamut Pant High Vis is made of a sturdy 4-way material with triple seams for optimal durability. The pants feature multiple pockets in the front, on the thighs, and on the back - where extra durable nylon material is used to withstand sharp or pointed objects. There is light padding on the knees, and this area is also reinforced with heavy-duty nylon material. The same reinforcement is applied to the rear part by the ankles. Wide reflective stripes and fluorescent yellow sections increase visibility in the workplace.

Technical description: Shell 1: 92% Polyester, 8% elastane, Weight: 270G/M². Shell 2: 90% Nylon, 10% elastane, Weight: 260G/M². Contrast: 600D, 100% polyester Oxford with PU coating. 50 mm width reflective tape. EN ISO13688, EN ISO 20471.
