Malamut Pant is made of a sturdy 4-way material with triple seams for optimal durability. The pants feature multiple pockets in the front, on the thighs, and on the back - where extra durable nylon material is used to withstand sharp or pointed objects. There is light padding on the knees, and this area is also reinforced with heavy-duty nylon material. The same reinforcement is applied to the rear part by the ankles. It's a contoured pant in a comfortable stretch material.

Technical description: Shell: 90% Nylon 10% elastane, Weight: 260G/M². Contrast: 600D, 100% polyester Oxford with PU coating.

Close zippers and buttons before washing the garment in the machine at 30 degrees. Do not iron, tumble dry, dry clean, or bleach. The effect of the reflective stripes gets reduced after 25 washes.
