It features a collar with cozy fleece lining and a zipper with flap to protect the chin. A chest pocket and 2 hand pockets - all with zippers - provide storage space. There's elastic adjustment around the waist for a personalized fit. Fluorescent material and reflective bands enhance visibility.</div> <div>Technical description: Shell 1: 94% polyester, 6% elastane with TPU laminated fleece, 310g/m². Lining fabric: mesh, 100% polyester, 160g/m² for pockets lining. 50 mm width reflective tape, 25 times washed. EN ISO 20471, WP: 8000 mm, MVT: 800 g/m²/24h.</div> |
| <div></div> <div>EN ISO<br/>20471<br/>cl. 1</div> |  | <div></div> <div>Machine wash at 40 degrees. Do not iron, tumble dry, dry clean, or bleach. The effect of the reflective stripes gets reduced after 25 washes.</div> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
