The Andesitt jacket made from 100% wool is a garment that can be used on many occasions. Wool warms and insulates even when damp, making it excellent as a mid-layer. Classic cut with a medium-high collar and a long front zipper with a protecting flap over the zipper. Two side pockets with zippers provide storage options. Neutral Wrks logos on the zipper pullers allow for ample space for your own company logo. The jacket is equally suitable as a representative garment as it is for use as a mid-layer.

Technical description: 100% wool.

Wash the garment in the machine on wool program. Do not tumble dry, dry clean, or bleach. Iron (Low temperature). Wash with a detergent suitable for wool and silk. Do not spin dry (max 400 rpm).
