

JADE BASIC
TECHNICAL UNDERWEAR

MAN XS-3XL WR10333 KR. 499	WOMAN XS-3XL WR10334 KR. 499	Colors Black Beauty	Jade base layer is made from a soft polyester quality, where moisture absorption and breathability are the primary characteristics of the garment. Base layers are primarily garments that should be worn during high activity or on days when wool may be too warm. The close-fitting design features a slightly extended back on the top and pants with an elastic waistband. The set should fit snugly against the body to maximize breathability. Technical description: 100% polyester.
			 Wash the garment gently in the machine at 40 degrees. Do not iron, tumble dry, bleach or dry clean. Avoid using fabric softener.
