Akita Shorts are made from a comfortable and breathable 4-way stretch fabric. The shorts have a relaxed fit with and an extended back section with elastication. The waistband has elastic, internal adjustment options and belt loops, with two loops—one on each side—that can also function as hammer holders. There are plenty of pockets at the front and back, with the hanging pockets removable. These are secured with sturdy zippers and snap buttons to withstand the weight of tools, screws, and nails. Several of the pockets are reinforced on the inside for durability. A solid and comfortable pair of shorts designed to handle the challenges of a busy workday.

Technical description: 90% nylon, 10% elastan. 260GSM+Cordura.
