Safety Yellow

Bismuth Roofpant ZP High Vis is made from a 4-way stretch material for optimal mobility and comfort. The pants feature a waistband with belt loops. Rugged, solid pockets in the front and back for storing a knife, measuring tape, and other necessary tools. Knee pockets make it easy to remove or insert knee pads as needed. The pants have reinforced, woven nylon material at the knees and around the ankles for maximum durability. The practical extra gear pockets can be easily removed or attached with zippers and snap buttons. The pockets are lined with heavy-duty nylon to withstand sharp and pointed objects. The pants are in visibility class 2, enhancing safety on the job.

Technical description: Main fabric: 92% Polyester, 8% Elastane, Contrast: 90% Nylon, 10% Elastane, ISO 20471:2013 / A1:2016 Cl. 2

EN ISO

Cl. 2

Close zippers and buttons before washing the garment in the machine at 40 degrees. Do not iron, tumble dry, dry clean, or bleach. The effect of the reflective stripes gets reduced after multiple washes. Avoid using fabric softener.
